**Whole Body Dosimeter**

Wear the badge on the front of your body between your neck and waist (typically, on your chest), with the label facing toward the source of radiation.

**Ring Dosimeter**

Wear the finger ring on the hand closest to the radiation source with the label facing the source. Wear the finger ring under your glove to prevent contamination.

**Fetal Dosimeter**

Wear the badge on the front of your body at your abdominal area, with the label facing toward the source of radiation.

**With Lead Garments**

Wear the badge near your neck, outside your shielded apron and thyroid shield.
